

Novo-K Expands Global Footprint with the Launch of Novo-K India

United Kingdom, 4th January 2023 - Novo-K is excited to announce the expansion of its global footprint with the establishment of Novo-K India. This strategic move marks a significant chapter in our journey to redefine business consultancy and challenge conventional consulting practices.

Since our inception in 2015, Novo-K has been at the forefront of delivering innovative solutions and driving excellence in consultancy services. As of 2023, we are thrilled to extend our expertise to the Indian market through the launch of Novo-K India. This move is a testament to our dedication to supporting organisations in unlocking the full potential through our wide business consultancy services, helping to drive growth and success.

We are delighted to introduce Amit Kalra as the Managing Director of Novo-K India. His leadership and proven track record align seamlessly with our commitment to providing high-quality business consultancy services and exceptional client delivery that empowers organisations to thrive in today's dynamic business landscape.

Amit Kalra, expressed his enthusiasm, stating, "We are thrilled to bring Novo-K's innovative approach to offer our wide range of business consultancy services into the vibrant and dynamic Indian market. Novo-K India will play a pivotal role in supporting organisations as they navigate the complexities of the modern business landscape, driving efficiency and fostering collaborative success".

Additionally, Kavita Cooper and Saurabh Limaye are appointed as the Directors of Novo-K India. Their extensive industry experience and proven leadership will help lead Novo-K India to success and uphold the commitment to world class consultancy.

Our journey, which began in the United Kingdom, has evolved into a global venture. The expansion into India reflects our evolution into a formidable player on the international stage. With a foundation built on expertise, collaboration, and continuous improvement, Novo-K is well-positioned to make a positive impact on organisations in India, helping them achieve their organisational goals and drive sustained success.

About Novo-K: Novo-K assists organisations' in achieving purposeful best practices, allowing them to have a positive impact on people, the planet, and their own profits. We provide world class business consultancy services in procurement, IT support, data analysis, marketing and HR. For more information about Novo-K, visit: www.novo-k.com
